# Patient Champion Programme Clinical Trials Workshop

Tuesday 31 January 2017  
Royal Marsden Hospital, Fulham Road, London SW3 6JJ

Chaired by **Rose Woodward**, Founder and Patient Advocate, KCSN

It is intended that the sessions are very interactive and informal, giving participants the opportunity to discuss and ask questions throughout, without the need for a formal presentation.

10.00 am Welcome arrival with tea/coffee and refreshments

10.30 am Welcome and introduction

**Rose Woodward**

10.45 am New KCSN website:

- Clinical Trials Hub
- Clinical Trials Database
- Access to treatments

**Sharon Kell**

Head of Medical Relations, KCSN

**Julia Black**

Co-founder and Head of Patient Support  
KCSN

11.00 am Introduction to clinical research

- Why do we need clinical trials?
- How do we get new treatments?
- What is a randomised controlled clinical trial and what is it used for?
- How is 'effectiveness' measured?
- What are the current questions in kidney cancer?

**Dr James Larkin**

Consultant Medical Oncologist  
Royal Marsden Hospital, London

11.30 am The importance of patient and public involvement in medical research

**Maggie Wilcox**

Independent Cancer Patient Voice

12 noon A patient's experience of taking part in a clinical trial

**Katie Barrett**

12.15 pm The role of a research nurse in clinical trials

**Lynda Pyle**

Research Nurse  
Royal Marsden Hospital, London

12.30 pm Break for lunch
