Dear Supporter

We hope you are well during these unprecedented times. We would like to invite you, your family and friends to take part in The 2.6 Challenge from Sunday 26 April to help support our charity, the **KIDNEY CANCER SUPPORT NETWORK**.

The COVID-19 pandemic has had a devastating effect on charities, with the cancellation of thousands of fundraising events, charity shop closures and the loss of billions in fundraising income.

In response, the organisers of the biggest mass-participation sporting events across the country have come together to create a new campaign to raise vital funds to help save the UK's charities.

The 2.6 Challenge will launch on Sunday 26 April - what should have been the date of the 40th London Marathon, the world's biggest one-day annual fundraising event.

We're asking you to take part in an activity of your choice based around the numbers 2.6 or 26 and fundraise or donate to support us, the **KIDNEY CANCER SUPPORT NETWORK**.

People of all ages are taking on The 2.6 Challenge with a host of activities - from walking, running or cycling 2.6 miles, juggling for 2.6 minutes, to holding online workouts with 26 friends. The ideas and options are endless!

The only requirement is that you must follow Government guidelines on exercise and social distancing. Most people are taking part from Sunday 26 April, but you can do your activity whenever is most convenient for you.
